Reflection

This week, we remember the journey of the Israelites out of the Egyptian empire and into the desert for forty years. We also remember Jesus' journey into the wilderness for forty days where, at the start of his ministry, he faces temptations which remind us of the Roman empire. Rome's power was rooted in control of commerce (bread), demands for ultimate loyalty (worship) and peace through violence (security). Jesus rejects each of these temptations with a counterclaim that requires trust in the ways of God rather than the ways of empire.

Our forty day Lenten journey reflects these struggles too. As we live in the reality that we are Saved by Grace, we know that we are called to journey into deeper faith. How are our lives, individually and corporately, shaped by the values of today's empire which celebrates success, power and image, and how are our lives shaped by the inclusive, compassion-filled, justice-making ways of our creator God that Jesus exemplifies for us?

Welcome to Worship

Archbishop Geoff's Prayer for the Diocese

Living God, we thank you for your vision for the whole creation and that you call us to share in your mission.

*We pray that you grow your church:
Bring more people to faith in Jesus;
Deepen our trust in you and knowledge of you;
Help us to serve and bless our community;
And strengthen us to be generous with the money and resources you give us.
May we grow as disciples of Jesus and make disciples of others for the blessing of the world you love. In Jesus name we pray. Amen.*
