SECOND SUNDAY OF LENT 17TH MARCH 2019 THEME: TRUSTING IN GOD

Thank you for coming to our Annual Vestry Meeting today. Joining for a combined service is an important recognition that we are one parish, and that jointly we take responsibility for our church. This parish has no life and no existence unless we take responsibility for it to be here. We, the people of this parish, employ one full time priest, two part-time priests, and one part-time administrator. Their role is to lead the whole parish in being the church, living the Gospel, and creating a community where people's faith can be nurtured. With such a small staff, the church relies on the faith, commitment and the generous work of everyone to fulfill a large range of volunteer roles. Today we gather to review how we are going with our shared vision and to say a big **THANK YOU** for everyone's contribution to the life of our parish community.

Deepen our trust in you and knowledge of you;

Help us to serve and bless our community;

And strengthen us to be generous with
