**TWENTIETH SUNDAY AFTER PENTECOST  
27TH OCTOBER 2019  
THEME: BE SATISFIED**

7:45AM & 8:45AM SERVICES BEGIN ON PAGE 119 OF THE GREEN PRAYER BOOK

**Reflection**

I was reminded by someone during the week of the beautiful hymn that starts: "Come as you are, that's how I want you, come as you are, feel quite at home. Close to my heart, loved and forgiven. Come as you are, why stand alone?" This person was saying they returned to church after a long absence and that was the first hymn they heard when they returned and it really moved them to keep coming to church. Perhaps this hymn captures the essence of what Jesus meant when he said to approach God like a little child. Without pretence, without fear, but just come as you are. This point is reinforced with the encounter between Jesus and the ruler sometimes described as the "rich young man" (*Mark 10:17-22, Matthew 19:16-22, Luke 18:18-23*) who, when Jesus invites him to "come as he is", is not able to leave the wealth he clings to for his identity and power.

To what degree can we be satisfied with who we are and what we have. We often cling to so many different things for our sense of self-worth and identity. But we need to strip all those things away to enter the kingdom of heaven. It is both daunting and liberating to know that we need nothing other than to be loved by God.

**PLANNED GIVING PROGRAMME AND PARISH VISION** - Information is now available about our planned giving programme and feedback from the recent parish vision week. Giving envelopes for the new program are available so please take yours today. We want to reach everyone in the parish so all other parishioners are encouraged to either read the emailed information or take one of the planned giving programme brochures at the church. We would like responses by the first week in November. This is absolutely vital for our budgeting for the next two years.

### NEXT UKULELE CHURCH - 5PM TODAY

Our Ukulele church continues to offer an alternative form of worship including lots of fun and community singing (and sore fingers). If you have friends and family who are interested in church but might not respond to traditional worship then this may be a great first step for them to try.
