

VISION AND PGP UPDATE

You will soon receive a summary of all the feedback from our Parish Vision Week and this will be accompanied by Planned Giving Programme information for the coming two years. At the end of October, existing donors to our PGP will be asked to renew their pledges for the coming two years. New parishioners may like to join the Planned Giving Programme to enable the ministry of the parish to continue at current staffing levels.

We are currently in the process of changing our parish banking to Anglican Funds of South Australia. Moving forward, this will affect Direct Debit and Credit Card donors. Our ANZ account will continue to exist to receive donations for the time being but eventually we need to move all our banking to AFSA. This change does not effect parishioners who use PGP envelopes. Stay tuned for more PGP information available soon. Thank you.

EIGHTEENTH SUNDAY AFTER PENTECOST
13TH OCTOBER 2019
THEME: GO IN FAITH

7:45AM & 8:45AM SERVICES BEGIN ON PAGE 119 OF THE GREEN PRAYER BOOK

Reflection

The healing of the ten lepers leads us to reflect on a number of points. One is that the lepers are not sent then healed, but rather they are sent first and in the process of going in faith, they are healed. This is not just because, as our sheep friend says below, that exercise is good for you, but because God needs us to step out in faith.

The next reflection to consider is the gratitude expressed by the one who returned to Jesus. Does this really mean the other nine were not thankful? Perhaps they did take their healing for granted, or perhaps they were thankful but they failed to express it. Perhaps they expressed their thanks at the temple. We don't know for sure, but we do have the example of the one who returned and made his thanks explicit to Jesus.

This lone Samaritan Leper stands strongly in our Christian heritage to remind us to live thankful lives. We should take time to acknowledge the people who bring love and healing into our lives and thank them for it. And, of course, we should give thanks to God every day. But what if I'm not feeling thankful? Even in the midst of the most dire of circumstances it is still possible to give thanks in some way. Is there someone you can say thank you to today? Is there something to thank God for?
